Be a **Pharmacy
Technician!**

Great Career...Great Future...and it's so easy to start!

Here's everything you need to know...

In as little as four months, you could be making good money!

> Be a Pharmacy Technician!

Join this exciting profession that is projected to continue to grow for the next 10 years, with high industry demand and job openings in the upcoming years!

A career as a Pharmacy Technician represents a wonderful path to success. Healthcare is booming. It's no secret, healthcare providers need skilled Pharmacy Technicians, who complete daily tasks in the pharmacy. In fact, the U.S. Department of Labor estimates 7% growth from 2023 to 2033 for Pharmacy Technician job openings. That means over 47,400 new Pharmacy Technician job opportunities each year!¹

Pharmacy Technicians are important members of the healthcare industry, and true professionals. They work directly with pharmacists and other healthcare providers, helping to save lives and providing comfort and relief to adults and children alike. As a Pharmacy Technician, you'll perform an extremely important service to the people in your community.

Security, great earning potential and much more...

Our Pharmacy Tech classes are designed to prepare you for the Pharmacy Technician Certification Exam (PTCE) administered by the Pharmacy Technician Certification Board (PTCB) and the Exam for the Certification of Pharmacy Technicians (ExCPT) offered through the National Healthcareer Association (NHA).

You'll also have a career that opens the door to a wide variety of opportunities. You might choose to work for a retail pharmacy, drug store, hospital, nursing home or assisted-living facility. You have the choice to work part-time or full-time.

Training that fits your life

If you can follow step-by-step directions, you can become a Pharmacy Technician. No need to change your daily schedule. No need to take time from your family or job. No classes to attend, and no schedules to keep. You'll get everything you need to succeed!

"Very straightforward, organized and professional presentation. I took the pharmacy technician online course and it was very informational and good preparation for the world of pharmacy. The staff were very friendly, helpful and quick to respond. I highly recommend them!"

Learning with us is easy!

Imagine a class that always starts the second you're ready. One you don't have to travel to attend. A class that moves quickly through lessons you find easy and slows down on the topics you choose. Think of having an expert instructor standing by to answer your questions and cheer you along, just a phone call or email away. This is no dream. This is U.S. Career Institute!

Set your own pace.

Go as quickly as you wish, graduate in as little as four months. Lessons are available as you need them. As you complete each assignment, you send it to your instructor for grading. Then go on to the next lesson. No need to wait for the results of previous exams. And if you want to take time off for a vacation, your lessons wait until you return.

Your instructors are experts.

Most of our students have very few questions. Your lessons are designed to give you everything you need to know. But if you do have a question, an expert instructor will give you the answers you need.

Open-book exams take the pressure out of testing.

We don't try to test you on how much you can remember. We help you learn what you need to know and show you how to find the answers to what you don't know. We believe that open-book exams—just like those many colleges use—are the best way to find out how much you can accomplish in the real world.
